## MARYLAND HEALTH CARE COMMISSION

**Subject:** MD Hospital Enrollment in the CathPCI Registry

**Add'l. Info:** Pursuant to Health-General Article, §19-134(e), Annotated Code of Maryland, COMAR 10.24.17, and COMAR 10.25.04, the Maryland Health Care Commission requires all Maryland acute general hospitals with a waiver from the Commission to provide primary percutaneous coronary intervention (PCI) services or with a certificate of need issued by the Commission for a cardiac surgery and PCI program to enroll in the American College of Cardiology Foundation's National Cardiovascular Registry (NCDR) CathPCI Registry effective July 1, 2010. Maryland acute care hospitals are required to use the CathPCI Registry to report quarterly data to the Maryland Health Care Commission for eligible patients discharged on or after July 1, 2010. Information regarding the CathPCI Registry is available at [ncdr@acc.org](mailto:ncdr@acc.org).
